The committee voted and approved that the Dog Park Committee would not charge fees but would accept donations and sponsor fund raising events.

The Chair accepted the following two projects:

1, Ask the Town Manager for advice on getting the Friends of Milton Dog Park non-profit status.

2, Ask the Town Manager for a legal opinion as to whether the Friends of Milton Dog Park need to solicit competitive bids for fencing and other materials for a dog park on private property leased to the Friends of Milton Dog Park. There may be some Milton town services provided to the park such a trash pick up or lawn mowing.
